JACKSCREW COMMITTEE TO VISIT THOSE WHO HAVE NOT SUBSCRIBED FOR THE BONDS

Geo. A. Lowe Company Adds \$50,000 to Local Fund Through Its Manager J. W. Abbott—Children at Deaf and Blind Subscribe—Hess and Miller Give Most Liberally—But Thousands Are Still Needed.

Three days to go and scarce half of the district's allotment has been raised. This was the message today from liberty loan headquarters. If the situation is saved, radical measures will have to be adopted. Every man and woman in the district who can, will have to put his mite into the big fund, will have to buy a bond. The subscription reported last night, after a recapitulation amount to \$1,651,950. The government wanted this district to raise \$3,000,000. This means work, hard work, the organization officers say, and between now and the close of banking hours Saturday afternoon the deficit must be raised. A call is made to every individual in the district to do his part.

The last few days of the campaign are always fruitful, but the liberty loan organization is not working this campaign on prospects. The leaders wish a steady stream of subscriptions to come in before assurance will be felt that the allotment will be raised. Banks will be open Saturday afternoon for liberty loan business only.

Starting tomorrow morning a "jackscrew committee" will start working in Ogden and will call on all prominent men who have not yet turned in their subscriptions. This committee will consist of Leroy Buchner, P. F. Kinkaid, A. L. Glasmann and J. U. Eldredge, Jr., and is the final appeal from the government to those who have not subscribed. The jackscrew committee, it is expected, will bring in a goodly amount.

A Big Subscription. Announcement was made this morning by J. W. Abbott, manager of the Geo. A. Lowe company that his company had subscribed through Ogden banks for \$50,000 worth of bonds. This is one of the biggest subscriptions from individual business concerns in the city and satisfaction is being derived in liberty bond circles over the news. In addition to the subscription from the company, the employees have subscribed for \$2500 worth of bonds individually. Mrs. George A. Lowe, president of the company, has herself taken \$25,000 worth of bonds. Another subscription of note was announced yesterday by J. T. Abbott, son of J. W. Abbott of the Geo. A. Lowe company, who is chief chemist of the Union Portland Cement company at Devil's Slide. Mr. Abbott stated that 50 employees of the company at that place had subscribed for \$4800 worth of bonds, an average of \$96 per man.

Hess and Miller Patriots. A. M. Miller of the Washington market subscribed yesterday for \$5000 and Henry G. Hess of the Hess Bakery subscribed for \$3000 worth of bonds. These subscriptions represent a vastly bigger investment to these men than do those of many well-to-do men of the state.

Check Total Today. Another check of the total amount to date will be made today according to headquarters of the loan campaign. It is expected that Cache county will show a considerable increase over its \$150,000 announced yesterday and increases are also expected from other districts. The Loyal Order of Moose, No. 1314, met last night and decided to buy a \$200 bond. This order has not enrolled a large number of members in Ogden either.

The Elks lodge has announced a subscription of \$500 for bonds. The Knights of Pythias lodge has also purchased a \$500 bond. Other bonds

Signs Many Subscriptions. Joseph Scowcroft of Ogden probably holds the record for signing subscriptions. He is an executive of the Utah National bank and the bank is claiming Mr. Scowcroft as the champion of the district. He signed the application for \$50,000 for the Scowcroft company, for \$25,000 for the Amalgamated Sugar company, for \$10,000 for the Empire Copper company, for \$10,000 for the Lion Coal company and for \$5000 for the Wyoming Coal company.

School Kid Plan. Banks have announced that school children may buy bonds by paying \$1 down and \$1 per week. This plan will make available bonds to many children who could buy them under no other plan. It will apply only to school children and to bonds of \$50 denomination.

A letter has been received from Secretary of Agriculture, P. F. Honin, urging participation in the loan by the farmers. It follows: "I urge you to make a special effort during this concluding week of liberty loan campaign to bring before farmers of your county, the need of a large national response to the liberty loan and of each farmer with available funds doing his part. Emphatic importance of farmers not falling behind other classes in this contribution to the cause of freedom."

Blind Students Buy. The youngest pupils of the School for the Deaf and Blind have shown their patriotism in the purchase of liberty bonds. In the blind department twenty-five pupils 7 years and older, have pooled their money for the purchase of bonds.

BRITISH WILL FIGHT TO END

German Militarism to Be Crushed Before World Can See Peace.

ONE GREAT WAR AIM

End of Great Standing Armies Must Be Brought About by Allies.

LONDON, Oct. 25.—Great Britain's determination to fight on until German militarism is crushed was emphasized today by Sir Edward Carson, head of the war aims committee at Portsmouth, and by Lieutenant General Jan Christian Smuts, privy councillor at Sheffield where they addressed meetings under the auspices of the war aims committee.

Sir Edward Carson said the war had entered the phase where the question with Great Britain was "whether we are going to prove superior in sticking power to the Germans and our other enemies." He added that Great Britain could not and would not make any peace without the concurrence of her dominions. Neither would Great Britain enter into peace negotiations behind the backs of her allies.

General Smuts said to his mind there was only one great and dominating war aim—"the end of militarism and the end of standing armies."

Admiral Sir John R. Jellicoe, first sea lord, who also spoke at Sheffield, declared:

"The war is all but won. We have only to set our teeth and the war will be won."

Referring to the submarine warfare, he said that the figures of September were good but the figures for October would not be so good.

RUMANIA WILL STAY IN FIGHT

Nation Determined to Continue Struggle for Freedom of the World.

MESSAGE TO AMERICA

Queen Blesses People of U. S. for Her Eight Million Subjects.

JASSY, RUMANIA, Via Petrograd, Tuesday, Oct. 23.—Rumania will fight to the bitter end until the struggle for the freedom of the world and the restoration of the rights of small nations is achieved. Queen Marie of Rumania today said to the Associated Press: America's entry into the war and the aid given Rumania has renewed the strength and hope of Rumania.

"Never will we lay down our arms until the cause to which we have consecrated our lives is vindicated," declared the queen, her voice full of determination and emotion. Attired in the uniform of a Red Cross nurse, she presented a picture of simplicity and dignity.

Since the removal of the Rumanian government to Jassy, the royal family has resided in a building formerly occupied as army headquarters. One room set aside for the queen contains a sewing machine with which the queen makes garments for the soldiers. The queen was knitting a woolen cap for a soldier as she talked to the correspondent.

America's Aid Appreciated. America's aid, Queen Marie declared, came at the crucial hour when the need was greatest. Our hearts warmed with gratitude," she said, "and our hopes were rekindled by this evidence of America's generosity. I wish the Associated Press to convey my most sincere thanks to the entire American nation for the noble way in which it has come to our assistance in this hour of suffering. I am aware that millions of your people, even the most humble, made this aid possible by contributions. Therefore, I hope my voice, conveying my heartfelt gratitude, will reach every corner of the states, penetrate even the smallest home and be heard at the humblest table around the poorest hearth.

of Rumania bless America's great name. Each sufferer well knows that Rumania's ally overseas has come to the rescue in the time of trouble and as their ruler I voice their gratitude to America which is the whole hearted expression of the eight millions of my people."

The queen paid tribute to Charles J. Vopicka, the American minister to Rumania, whose "efforts in the state towards securing aid for our country will long be remembered."

"The noble ideals of President Wilson, with which I am in sympathy," the queen continued, "touch closely our country for Rumania entered the struggle in the hope of realizing national unity with the other four million Rumanians beyond the Carpathians."

AN OFFICER. Th Lieutenant was testing the squad in visional power. "Tell me, No. 1," he said, "how many men are in the trench digging party over there?"

"Thirty men and one officer," was the reply.

"Quite right. But how do you know one was an officer at this distance?"

"Cos he's the only one not working!"

HIS REAL MOTIVE. As the crowded car jolted and swayed, the stout woman standing up, swayed against a seated passenger, tearing his newspaper and knocking his hat over his eyes. Immediately he rose and offered her his seat.

"You are very kind, sir," she said, panting for breath.

"Not at all, ma'am," he replied. "It isn't kindness, it's merely self-defense,"—Boston Transcript

WORLD'S MARKETS

NEW YORK, Oct. 25.—Steamship shares were the prominent shares at the irregular opening of today's stock market, advancing 1 to 2 points. The inquiry for those issues was greater than that shown by any other branch of the stock list. United States Steel and other active equipments and industrials moved within narrow limits and rails manifested all their recent uncertainty. St. Paul common and preferred and Union Pacific preferred losing one to two points. Liberty 3 1/2% were again transferred in large blocks up to \$95,000 at 98.80 to 99.82.

The heaviness of Union Pacific and other transcontinental checked the better tendencies for a times, but this was overcome later. United States Steel rallied from \$104 1/4 to \$106 1/4. Bethlehem Steel rose 2 1/2 points and shipbuilding moved further headway under lead of marine preferred. Tobaccos manifested a revival of their recent activity and strength and various equipments and specialties advanced 1 to 2 1/2 points. Gains were almost wholly wiped out at noon, however, on fresh selling of Union Pacific and the weakness of Canadian Pacific. Liberty bonds were firm at \$99.80 to \$99.84.

CHICAGO QUOTATIONS

CHICAGO, Oct. 25.—Fresh upturn in the price of corn resulted today from scarcity of offerings and from efforts of shorts to escape further risks. There was no sign of any hurry up of the farmers to sell. Pit traders seemed to be disposed to await a lifting of pressure before becoming aggressive on the bear side. Opening quotations, which ranged from 1/4c off to 1/4c advance with December at \$1.16 1/4 to \$1.17 and May at \$1.11 1/4 to \$1.12, were followed by material gains all around.

Persistent acquisition of oats for eastern account forced the oats market up with corn.

Firmness in the price of hogs gave strength to provisions. The bullish action of grain counted also in causing a moderate general advance.

Unsettled weather and brisk demand from industries led afterward to sharp additional gains in corn. The close was strong, 1 1/4c to 3 1/4c net higher at \$1.19 1/4 to \$1.20 December, and \$1.13 1/4 to \$1.13 3/4 May.

Higher lard quotations at Liverpool and assertions that most of the present stock of lard here had been sold for shipment acted as a prop to the provision market.

UTAH STOCKS

Quotations Furnished Over the Private Wire of J. A. Hogle & Co., 2409 Hudson Avenue.

Summary of the Local Market. The trading on the Salt Lake Stock and Mining exchange was rather light after the holiday and sales fell below the 50,000 share mark. Most of the issues were weak and some fell down. Columbus Rexall went through both calls and only sold 850 shares of stock between \$1.27 1/2 and \$1.30. Jun. Mining, the highest priced stock on the market, slumped and only brought \$8.25 and \$8.30 for the 200 shares sold. Gold Chain woke up and traded 7000 shares of stock at 18 1/2 cents and closed rather weak.

Lohi Tintic was again the heaviest traded transferring 13,000 shares of its stock between 4 1/2c and 5 1/4c. New Quincy dropped again, but was the second heaviest traded, there being 10,500 shares of stock changing hands, from 8 down to 7 cents. May Day was also a heavy seller, disposing of 10,000 of its security shares, at 5 1/4c. Tintio Standard was again very steady and sold for the old price of \$1.55 and \$1.57 1/2. Zuma held its own around 14 1/2c and 15c and about 5000 shares were sold. The closing quotations for the day are as follows:
